There are still funds remaining to reimburse for last Frosh,

547.01 to Images for the frosh shirts from grant to go to Mitchell Gale seconded by Sarbjot Mann

Hoodie Orders:

There was a mistake in communication between VJ and Images, creating a wrong order. We will have extra of certain hoodies we didn't want and need to buy new ones for people who bought already and didn't receive what they wanted.

Mitchell Gale motions up to 900 dollars from core to go towards correcting the order from images with reimbursement going directly to Images seconded by Hun Seol
