- Open Floor

Meeting called to order at 12:45 by Angelica

(Meeting is interrupted by the opening of the pop machine. There is a mad scramble for pop even though there are only 11 people in the room.)

Funding for Segways

We forgot to motion for the money that we talked about motioning for. We've explained why we want to spend the money, how we're going to spend the money and what we're going to spend the money on. We just never actually motioned to spend it. Nice impersonation of the federal government, I'd say. Except for the whole misspending of millions of dollars. We'll leave that to the higher ups.

Cost: \$600 for SFU Burnaby (\$300 from WOW, \$300 from CSSS)

We want to ask SFSS for \$150, so net cost to the CSSS would be \$150.

John motions to request a grant of \$150 from the SFSS to pay for half of the \$300 the CSSS spends for WOW.

Seconded by George.

Motion passes.

John motions up to \$300 of CSSS funds to be spent on the segway event for WOW on Tuesday, September 7.

Seconded by Noah.

Motion passes.

Open floor

Terry Fox Run:

Angelica was e-mailed by the Athletics Department to see if we wanted to put together a group for SFU's Terry Fox Run.

This group would do fundraising together for the Run. Possible catchphrases include "Geeks to Get Fit" along with "Give us money, we're not crooks".

Further information to be obtained by Angelica before this goes ahead.

Clubs Days:

It will be second week of school.

Volunteers and/or ideas for the booth, e-mail VPA John at csss-vp-activities@sfu.ca

Motion to adjourn

No objections

Meeting adjourned at 13:09

(Angelica stops playing hookey and goes back to work)
