## 2 Open Floor

### 2.1 Writing Intensive Designation of CMPT275 (Jacob)

- CMPT275 is currently not designated as a writing intensive course though it arguably should be.
- If it were, it would be better for the department, TAs and students.
- We, as undergrads, are in a good position to make these changes.
- **Chantal Gibson** is the contact person with regards to this.

### 2.2 Introduction (Earl)

- SFSS member services officer.
- Will lend support to us.

### 2.3 Introduction (Anna)

- SFSS Treasurer.
- Nice to be with a society that actually gets stuff done.
- There is some extra money that she hopes will be put towards an increase in DSU spending.
  - Will probably be around 50%.
  - There is resistance to this from some SFSS executives.
  - Nothing is set in stone as of yet.
  - Will be voted in an upcoming CPR committee meeting (which is an open committee.)
  - She'll email csss-exec when this is taking place.
- **Phil** asks if there will be any legal action from the CFS with regards to the recent referendum.
  - SFSS is going forward with the assumption that it was valid.
  - We should just keep doing what we are doing.
  - Current status is that some paperwork has been filed but it's more or less just sitting in court now.
- Any grant requests over \$1000 will go to her.

- Co-authored a paper for MICCAI 08 conference in New York.
