## 1 Report of Officers

### 1.1 President (Corbett Gildersleve)

- FroshWeek 2014 costs have all been paid.
- We still owe Matt \$1400 but we almost have enough to pay him back.
- Common Room Renovations have been paid.
- Cleaned up the common room a bit, and reorganized some stuff.
- Need to sort out prizes for the photo hunt from FroshWeek.
- Contacted Konica about having the printer picked up since we are no longer using it.

## **1.2 Vice President (Colin Woodbury)**

- We have three new posters: Linux distro history, history of programming languages, and a programming language graph.
- Attending a meeting with a Sociabank representative tomorrow.

## **1.3 Treasurer (Brandon Wong)**

- Unable to attend, no regrets.

## **1.4 Director of Resources (Joel Teichroeb)**

- Unable to attend, no regrets.

## **1.5 Director of Activities (Kenneth Kwok)**

- Has been working on planning an industry night/week.
  - Availability of speakers is difficult to plan around right now.
  - Will shift the event to January instead.
  - Would include people from mobile companies, SAP, Google, Microsoft.
- LAN Party in CSIL.
  - Nothing is installed currently on the computers, CSIL Ops don't want to do it again right now due to overhead.
  - Might get merged with C-LAN in the spring.
- C-LAN booked for February.
  - Looking to add a few extra games to the event.
  - Costs have been sorted out.
- End of Semester Social
  - We could do a potluck and boardgames night.
- Other activities suggested include indoor climbing, hikes, archery tag, laser tag.

## **1.6 Secretary (Nicholas Hoekstra)**

- Nothing to report.
- Didn't bring minutes from the last meeting.

### **1.7 Executive at Large (Gareth Moon)**

- Pop machine ran out of Monster energy drinks.
- Steven has been helping keep the room clean. We could use some more signs so that people clean up after themselves.
- An email is being sent out about the website expansion meeting.
- MACM Workshop
  - Only five people showed up.
  - David suggests a different time for a workshop to work better with the MACM tutorial times.

### **1.8 First Year Representatives (Steven Yang & Yi-Hsuan Wu)**

- Still thinking of an event to plan and host.
- Wants to do a sport event next semester.
- Potential events include: laser tag, bowling, group dinner, a tech workshop, and ice skating.

## **2 Halloween Events**

- We usually do a baking and costume contest with gift cards for the winners.
- Need to ask a few people to be judges (professors and/or staff).
- Judging will probably be done sometime after lunch between 1-2pm in the ASB Atrium.
- Pizza Friday will still be held at around noon.

## **3 Open Floor**

- There are three big conferences happening next summer and fall. We may want to sponsor some students to attend.
- Suggestion to buy some development equipment for students to use and experiment with.
  - It would work well to partner with the programming club on this.
  - Connor asks if the SFU Surrey 3D printer is open for students to use. Apparently it's restricted to IAT students in certain classes.

- Since the magic draft had a huge turnout we didn't have enough packs to give out as prizes. Kenneth motions for \$60 to buy prizes.
  - Nicholas seconds.
  - Motion passes.
- Kenneth motions for up to \$200 in prizes for the Halloween events.
  - Steven seconds.
  - Motion passes.

## 4 Approval of the Minutes

- Colin motions to table the approval of minutes from October 8th to the next meeting.
  - Nicholas seconds.
  - Motion passes.

*Meeting is adjourned at 6:06PM.*
