**1. The CSSS Elections**

To vote for a new set of executives of CSSS for this Fall semester.

President Voting

Nominee: Matthew Thomson

Result: 1 nay,  
Matthew won.

#### Vice President Voting

Nominees: Sasha Starosta  
Terrance Yu

Result: Terrance won.

#### Treasurer Voting

Nominees: Charles Howes  
Patrick Chin

Result: Charles won.

#### Secretary Voting

Nominees: Terrance Yu  
David Wong

Result: David won.

### **2. Hardware Software Committee**

The school is currently installing accounting facilities for calculating connect time on CSIL. We would expected to pay for our own connect time soon.

A few changes to the following courses have been proposed, and to be in effect in the Spring:

CMPT 101 (SW):

Using Modula-3 (object oriented) instead of Modula-2.

CMPT 201 (SW):

Using LISP (functional programming) instead of Modula-2.

CMPT 290 (HW):

Moving to emulators instead of using physical chips on circuit board.

### **3. Treasurer's Report**

We did fine. A pretty good semester with net income \$3,000. (WOW!)

The following is a summary of incomes and expenses:

Pop machine	\$ 3,500
Photocopier	\$ 2
Bank	- \$16
Pizza Movie	- \$ 30
BBQ	- \$121

Volley Ball	- \$ 283
Merchandise	\$ 30
Misc	- \$93

Savings Total: \$12,000

Thanks Sasha (last treasurer) for her contribution to CSSS. Thank you!

#### **4. The CSSS Bursary**

We will allocate \$10,000 of the funds that the CSSS currently holds and give it to the Development Office (which manages scholarships and bursaries) to set up our own Computing Science Student Society Bursary.

The members of the committee for making a recommendation on the criteria of the CSSS Bursary are: Patrick Chin, Rick Rupp, Kara Elliott and Warren Huestis.

#### **5. Photocopier**

Kevin Rutten and Terrance Yu are the two guys who will eventually manage the photocopier after they have their proper training on the new photocopier. Thanks for their help!

#### **6. Pop Machine**

Right now Andrew, Rick, and Charles have the key for the pop machine. They will soon return the keys and we will make appropriate adjustment.

#### **7. ARC**

ARC will now have a head, Betty Lai, who will organize all the activities of ARC. Thanks for her and all those who have signed up for volunteers!

Activity suggestions: Phantom of Opera and Pink-Ball game.

**Meeting Adjourned.**
