Report of Officers

Former President Noah

- Noah gave a spiel, and announced the awards (no one left them at home ... no one at all).
- Is going to look into getting a security camera for the common room.
- We need curtains for the common room so that we are not always looking into CSIL.

Exec retreat will be this weekend.

Anto

- Is pleased to be aboard, as he will be Yang for a year.

- We've paid out some of the money owed from Formal, but not all of it.
- There was an unexpected \$1500 expense.

Elections

- Interim VP Resources Description: Looks after the common room and back room, manages the web server, takes pop orders, etc.

Nominations: Tim Kim (Jen Fernquist, Marcel Guzman) Trevor MacPhail (Anthony Tseung, Noah Adams) Sepand Gojgini (Noah Adams, Yang Zhao)

Speeches -

Tim Kim - Says you will vote for him or die. He has experience as exec at large, doesn't have experience with web server stuff, but can learn. Draws pie graph representing awesome vs nothing. "Nothing" represents 1%, but there is a 1% margin of failure. Trevor MacPhail - Wants you to vote for him, but offers no threats. He has helped out with VPR activities in the past, and was secretary in Fall 2002. Sepand Gojgini - "Hi everybody". Nominated for the most positions here, never been elected. However, he has run Frosh Week and filled the pop machine. Currently has more free time, promises to do his best.

****Congrats Tim Kim****

- Interim Treasurer Description: Looks after money.

Nominations: Tadashi Miyazaki (Curtis Lassam, Nick Schmid) Trevor MacPhail (Noah Adams, Curtis Lassam) Sepand Gojgini (Tim Kim, Tadashi Miyazaki)

Trevor MacPhail - Has helped out with some treasurer duties, including a \$4500 bank run. Keeps track of personal finances well, including income tax. Sepand Gojgini - Nothing new to be said.

****Congrats Tadashi Miyazaki****

- Exec at Large Description: Pick up the VPR's slack when he is lazy. Generally gets involved in all aspects of the society.

Nominations: Justin Scott (Jen Fernquist, Curtis Lassam) Trevor MacPhail (Marcel Guzman, Curtis Lassam)

Speeches -

Justin Scott - Not present, but wrote a speech. He has free time, and thinks that being a labour monkey sounds fun. He has a good schedule for this semester. Trevor MacPhail - Wants to help out, has time and is not as busy lately. On campus 3 days a week, and lives only half an hour away. He has experience with the web server.

****Congrats Justin Scott****
