Report sent by e-mail:

Nothin' much to report. Aimee's running EoSS, her barbeques for the last two weeks have been fine, CSSS eventwise. I've just pizzad up and provided movies.

No pizza and a movie on Friday- We don't need a movie, and Athos is closed. Aimee is hunting for alternate pizza? Or is that me?

Do we have the games for the EoSS set up? Who are we dunking? Tadashi, are you finding any dunkables? I'll volunteer for the dunk tank, but I certainly don't have the draw of a, say, Bradley Bart, or ANY professor at all. Me and Tim have been all over the Advertisement in our halfassed me n' Tim way. There's a banner, 'insulting' posters, even an e-mail.

I just recently signed up for Lightnin' Round in the Coop thing. I might not be around next semester. In that case, we'd need some interim elections. I nominate Aimee.

President - Jen

- E-mail from Daniella today.
- SFU Surrey clubs days is happening sept 14th,15th.
- Volunteer if you want.

Angelina - Merch

- Thinking about selling merch friday.
- Best time is probably around the bbq.

More Common Room Updates

- Cabinets have been installed.
- Have to move stuff now.
- Should we buy tupperware boxes to help organize them? Can't really afford it right now.
- Cameras? What cameras? They haven't been ordered so we need to wait until Tracy is back.
- Tim has been too busy to setup the router again.
- Clean up your garbage!

Frosh Week

- Apparently frosh week is getting done. This is good.
- The entire committee is overloaded.
- Sort of on schedule. Just not the schedule we hoped it would be on.

Report from Curtis sent by e-mail:

I'm not in charge of anything. Just tell me what to do, and I'll do it.

I think the propaganda video is stupid (still)- because there's no method of forcefeeding it to the populace, and if we do, who cares? Still, if you want Film Club collaborators, go to the discussion forums at www.sfufilmclub.com. They will take good care of you.

We do need massive amounts of red shit. Banners and sashes and ... red stuff. Also, posters with our awesome logo on them.

Simon sent me some froshweek stuff to edit, I've been a bit busy with 300 and a History paper worth a large amount of my mark (40%!). I'll get to it soon, but I don't have much to add- it's all pretty good in the first place- Simon's on it.

Woop woop woop woop.

End of Semester Social

- Uh huh.
- Aimee isn't here. Nobody knows much of substance.
- Official starts at 10. Show up earlier.
- Got e-mail regarding the "demeaning" nature of our posters towards women. But now we have mail versions of the posters so we believe this equals it out.
- We have permission to get Travis' bar but we don't really have a way to pick it up. Maybe just use a table with grass mats.
- Anto is going tomorrow to pick up lights.
- Some minor costume accessories for those who need help with it.

Fireworks Aftermath

- Fireworks went well even with only one bbq.
- Next time need to include bus instructions because some people got lost.
- Thanks for coming out.

Camping Trip

- Curtis isn't here to talk about his camping trip. But by the magic of IM...
- High interest but low general knowledge.
- And lack of cars.

- Need to figure it out.
- See snakes on a plane that night and leave early in the morning afterwards for a hot sexy camping trip. (Nobody wants to go now).
- He has gear for a few people but no room in his car for anyone other than his girlfriend.
- Alice lake was the most popular response.
- But I'll also organize a second one to occur afterwards and will e-mail out about it soon I guess.

Approval of Minutes

Eugene motions to approve minutes. Jen seconds. Passes.

Open Floor

Snakes on a Plane

- Jen motions for up to \$30 to be spent for reimbursement for snakes on a plane tickets. Someone seconds. Motion passes.

Exec Turnover

- Michele can't take responsibility so Tadashi will hold on to it until September.
- Tim will grasp his responsibility as long as he can while doing nothing.
- Next meeting will be second week of the next semester.

Curtains

- Curtains are in the back room.
- They might mysteriously get put up at night this week. We'll blame it on vandals.

Motion to adjourn. Passes.
