	Ryan Bujnowicz		Secretary
	Max Whitney		VPA (Burnaby)
	Ryan Longair		VPR (Burnaby)
	Travis Brown		Honours
	Courteney Ryan		Major
	Colin Hume		Major

# 1 Report of Officers

## 1.1 President (Chris)

- Haven't done much.
- Went to Open House.
- Still needs the CSSS president mailing list.
  - No response from current owner.

## 1.2 Vice President of Resources at Burnaby (Ryan L.)

- Pop sales are picking up.
  - Will get a complete list of items for order soon.
- Photocopier is not doing well at all.
  - Currently going through one or two packs of paper a week.

## 1.3 Vice President of Activities at Burnaby (Max)

- Had a games night last Friday, went alright.
- LAN party sometime soon.
  - Probably want about two weeks notice minimum.
  - **Max** makes a motion to spend up to \$60 for LAN party snacks for two weeks this Friday. **Travis** seconds. **Dave** profanely opposes. *Motion passes.*
- There has been some progress in getting a beer garden setup.
- Will wait for weather to get better before planning more outdoor events.

## 1.4 Executive at Large for Burnaby (Ted)

- There are problems with the fridge.
  - We need to clean the reanimated meat.
  - Cleaning session either Thursday or Friday afternoon.
  - Saving this as a FroshWeek event is contrary to anti-hazing rules.
- Worked out the first draft of the FroshWeek event schedule.

## 1.5 Secretary (Ryan B.)

- Not much to report.
- FroshWeek stuff to discuss, will mention in open floor.

## 1.6 Vice President of Resources at Surrey (Kyle)

- FroshWeek discussions are underway at Surrey.
- Working on the UPC/UCC reports.
- Advocacy committee met but didn't do much.
- Waterbottle issue mentioned last meeting is alright now, we can continue to sell them.
- IATSU is planning a wings night with the CSSS, ESSS and other DSUs.
- Surrey Campus Committee is going on a retreat, will report on that when he gets back.
- Notes that there is no set term for the Surrey Campus Committee Liaison position.
  - We will have an election for that position at the next Surrey meeting.

## 1.7 Treasurer (Dave)

- Our account is low.
- **Dave** draws a graph which shows our situation.
  - Some money is allocated, some we are waiting for core funding and there is just a tiny bit we can actually use.

## 2 Approval of Minutes

- **Chris** motions to approve the minutes from May 29th 2008. **Travis** seconds. **Dave** abstains. *Motion passes.*

## 3 Open Floor

### 3.1 FroshWeek

- **Chris** was wondering if the 80's is the best theme.
  - Something like retro gaming might be easier to do.

- It's mentioned that retro gaming could be a subset of the 80's theme so it is fair game as far as logos and such go.
- We should order about 50 T-shirts in total.
- **Ted** will update the website.
- There is no need for a trophy since the team based system never works out anyway.

### 3.2 Summer BBQ

- **Courteney** has been busily planning a CSSS beverage and barbeque day.
- Date has been decided as July 11th from 5pm to 10pm.
  - Other times require a different and possibly more expensive license.
  - Might be better to go from 3pm to 12am if possible.
- There will be a barbeque or some other types of food.
- We need to also serve non-alcoholic drinks such as pop or virgin Pina Coladas.
- Need to look into getting hard alcohol and also getting a keg instead of bottles.
- **Travis** volunteers to drive.
- **Ted** will be the mixmaster.
- Hoping to price at no more than \$2.00 or \$2.50 a beer.
- Location will either be the MBC lawn or in the middle of the AQ.
  - Important to have a contingency plan in case of rain.
  - Will book the ASB atrium just in case.
- Looking for more volunteers, join csss-events if interested.
  - Will need serving certificates available at [servingitright.com](http://servingitright.com).
- Still a question as to whether we will do security or if we will outsource it.
- **Courteney** makes a motion for up to \$100 for the CSSS barbeque on July 11th 2008. **Travis** seconds. **Dave** abstains. *Motion passes.*
- **Courteney** makes a motion for a \$200 grant from the SFSS for the CSSS barbeque on July 11th 2008. **Travis** seconds. *Motion passes.*

### 3.3 Banner

- **Chris** has the banner which **Allen Pike** made, but we no longer have any money to make it.
  - Put it into the Subversion repository for now.

### 3.4 Open House

- **Chris** says we need to do a better job at advertising.
- Should work on getting a CSSS T-shirt.

### 3.5 Committee Minutes

- **Max** wonders if all sub-committee minutes should be presented at the general meetings and sent to csss-active.
- The minutes are available on Subversion but this is inconvenient for some people.
- This would make the general meetings longer than they already are.
- Transparency is always a good thing.

*Meeting is adjourned at 4:45pm.*
